

**Prof. Yin-Yu Chang**

National Formosa University, Taiwan

---

**Dr. Yin-Yu Chang** obtained his Ph.D. degree in Materials Science in 2004 from the National Chung-Hsing University, Taiwan. He is the director of Plasma and Surface Engineering (PSE) Lab. National Formosa University (Taiwan). Professor Chang received the honor of Distinguished Professor at the National Formosa University in 2020. His main research focuses on Plasma Processing Techniques and Multicomponent and Multilayer hard coatings for tribological applications by physical vapor deposition especially using cathodic arc evaporation and magnetron sputtering. Before entering the University in 2005, he served in PVD industry for 13 years. Over the years, he has published 80 peer reviewed international SCI journal papers and one book chapter. He received Outstanding Research Paper Awards of TACT (Taiwan Association for Coating and Thin Film Technology) in 2019 and 2020.
